

Pool Ladders Inground Stainless Steel

**The following ladders are based on the Pooldeck LS range of ladders.
Please email the shop for prices on the rest of the range using the pooldeck ladders
and grab rails pdf on this page.**

Emaux Range.

2 Step Non Flanged with Stainless Treads	\$470.00
2 Step Flanged for Decking or Existing Concrete Surround	\$517.00
3 Step Non Flanged with Stainless Treads	\$546.00
3 Step Flanged for Decking or Existing Concrete Surround	\$598.00
4 Step Non Flanged with Stainless Treads	\$621.00
4 Step Flanged for Decking or Existing Concrete Surround	\$678.00
If plastic treads required deduct 10% off price.	

Astral/Hurlcon Range

2 Step with Stainless Treads	\$530.00
3 Step with Stainless Treads	\$636.00
4 Step with Stainless Treads	\$726.00
Flange Kit for Decking or Existing Concrete Surround	\$120.00

Pooldeck Genuine Ladder Range

This range is Australian made. Beware of imitations on the internet as some companies have been known to supply Emaux under the guise of Pooldeck.

2 Step Non Flanged with Resin Treads	\$599.00
2 Step Flanged for Decking or Existing Concrete Surround	\$645.00
3 Step Non Flanged with Resin Treads	\$669.00
3 Step Flanged for Decking or Existing Concrete surround	\$736.00
4 Step Non Flanged with Resin Treads	\$778.00
4 Step Flanged for Decking or Existing Concrete Surround	\$847.00
Flange kit for Non Flanged ladders	\$135.00

Tip The reason some people buy a non flanged ladder with a flange kit as to buying a flanged ladder is that the ladder can be removed easily without undoing bolts.

All prices are pick up ex Cannington Warehouse in Perth. For freight prices throughout Australia please email the shop on poolmasterpools@iprimus.com.au .
